

UNDERSTANDING GENERATION Z

Ben Schettler | The Center for Truth in Love

1. They don't know who they are.

Identity - New definition: Identity is determined not defined. Identity is a socially contextualized possibility rather than a biological and scientific reality.

2. They don't know how to love.

Love - New definition: Love is a sexual expression rather than a value assessment.

3. They Don't know how to find the truth.

Truth - New definition: The truth must be verified by multiple sources, it is restricted to what is scientifically observable, and it cannot conflict with popular opinion.

4. They don't know how to make moral judgements.

Discernment - New definition: Moral Discernment is the close-minded practice of assessing the behavior of others.

5. The Don't know how to disagree.

Tolerance - New definition: Tolerance is a left of center political position rather than a way of dealing with those who disagree with you.

6. They Don't know how to handle failure.

Suicide - New definition: Suicide is viewed as a solution to a worthless life.

7. The Don't know how to live by an external creed.

Bible - New definition: The Bible is a fictional book whose life implications should be understood as both potentially beneficial and optional.
